

922 MAT

Advantages

- Adaptable to curves and contours
- Pressure is evenly distributed due to the foam backing
- No risk of sanding-through

Applications

- Fine sanding of round edges and contoured surfaces
- Fine sanding of primer fillers, paint and lacquers
- Sanding of blending, mineral substances and orange peel
- Sanding before polishing
- Producing a mat finish on surfaces

Technical Specifications

Grain:	aluminium oxide
Coating:	special process
Bonding:	synthetic resins
Backing:	knitted fabric on foam
Colour:	blue
Grit range:	500, 1000, 2000, 3000, 4000
